

Satisfaction Survey Results of CAHPS 2023

At First Medical Health Plan, Inc., (FMHP) we are committed to providing a quality service to our beneficiaries and providers of the Puerto Rico's Government Health Plan (GHP). As part of this commitment, we conducted Satisfaction Surveys to know their opinion and identify areas for improvement. One of these Satisfaction Surveys carried out by beneficiaries of the GHP is the Consumer Assessment of Health Care Providers and Systems (CAHPS). It is an annual nationwide survey, used to report information about the experience of Medicaid and Medicare members with health plans.

It is our intention to share the results of this survey with our beneficiaries and the general public. The sample selected was 6,000 adults and 5,480 children members enrolled in the plan until December 31, 2022. The period of the survey was from April 12, 2023 to June 7, 2023.
